

# INGLEBURN MEDICAL & DENTAL CENTRE

2 Nardoo Street, Ingleburn. New South Wales 2565

Our Ingleburn Medical Centre was established in 1970.

At Ingleburn Medical Centre we've created a collaborative environment where health care professionals can practice alongside fellow professionals and be supported by a comprehensive team of practice management and nursing staff – so you can focus on your patients, not administrative work.

Our facility provides dedicated general practice, dental, physiotherapy and allied health services alongside treatment and procedural areas with nursing support and radiology (x-ray, ultrasound and CT).

Our centre is open 365 days a year and offers GP appointments with a majority of services bulk billed.

With a wide variety of medical services offered under one roof, Ingleburn Medical & Dental Centre would suit GPs who want to provide their patients an integrated care approach.
