IN AND ABOUT OUR CRAIGIEBURN CENTRE

70 Central Park Avenue, Craigieburn. Victoria 3064

About the Craigieburn area

Craigieburn is a suburb situated north of Melbourne with easy access to the CBD. It's a rapidly growing area with a large number of new housing developments. It has a varied demographic with a large number of young families and children and a distinct Indian and Arabic population. The cultural diversity of the area means there is a wide range of traditional cuisine in the vicinity.

Craigieburn offers lots of public recreational areas for families to enjoy, and moreover our centre is located near the central hub of Craigieburn, including the shopping centre and entertainment precinct.

Being on the outskirts of the Melbourne metropolitan Craigieburn locals also enjoy significantly less traffic and more access to national parks and open spaces such as Plenty Gorge Park. It also wouldn't be completely out of the ordinary to see a kangaroo hopping along the road.
