About the Baulkham Hills area

Baulkham Hills sits within the region of “The Hills”, located only a 40 minute drive from the Sydney CBD. It is easily accessible by car and is an up and coming area as it is currently experiencing an infrastructural and residential boom. With the building of the WestLink transport system, The Hills area is pegged to become even further linked with the Sydney CBD. Housing is expanding throughout the area with thousands of new residences scheduled to be built in the next couple of years.

On weekends, you’ll find residents in the many parks playing, jogging and even koala spotting. When it comes to dining, Italian restaurants reign supreme. All in all, Baulkham Hills is perfect for families that want to be close to the city, but not too close.
