

New **doctor info** pack.

About Lancefield.

Lancefield is a small historic town in central Victoria, known for its incredible local produce and relaxing pastoral atmosphere. Film fanatics will be drawn to Lancefield, as the town is very close to one of Australia's most intriguing landmarks, Hanging Rock – a site that featured in the chilling and mysterious 1970s cult classic Picnic at Hanging Rock. History enthusiasts, too, will be attracted to the old-fashioned architecture that reveals bygone eras, as well as Lancefield's background of incredible archaeological finds – the suburb appears to have once been home to prehistoric Australian megafauna, namely the Diprotodon (a wombat the size of a rhinoceros!).

Lancefield has a lively retail sector, with shops along the main street offering an array of interesting and attractive antiques, books, gifts, and artwork. The town also boasts fine cool-climate produce that can be sampled and purchased at the immensely popular monthly farmers' market, where organic delicacies such as honey, olive oil, fruits, veggies, and meats are in plentiful supply. Award-winning chardonnays and pinots can also be sampled in town, or on a weekend tour of the local wineries and vineyards. Lancefield's quiet, country charm, friendly locals, and rich, vibrant culture make it the perfect place to visit or relocate to, for anyone wanting to get away from the hubbub of the big city.

Dr Ross Lamplugh

CO-FOUNDER & CHAIRMAN, OCHRE HEALTH

“ Ochre Health was formed with the goal of **improving** the way **primary health care** is delivered in both rural and urban Australia. I am proud that we are helping to improve the **health services** in this **beautiful state**, it feels good to be able to do some **great stuff** in your own backyard. ”
