

FOREST HILL MEDICAL & DENTAL CENTRE

490-524 Springvale Road, Forest Hill. Victoria 3131

At our Forest Hill centre we've created a purpose built medical facility that has been serving the community for over 11 years.

To enhance a health care professionals' ability to deliver integrated and coordinated care for their patients, we have built in pathology, imaging and allied health services into our practice.

We also feature a stocked treatment room where professionals are able to work alongside a clinically adept nursing team and efficient centre staff that execute practice management functions.

Based on our current patient demographic, providing chronic disease management, general health assessments and pre-employment health evaluations are regularities for patient consultations.

Forest Hill would suit health care professionals wanting to practice in a modern medical centre that provides strong administrative and nursing support and unique access to an array of medical services and equipment.
